FOR IMMEDIATE RELEASE

Indiana FFA names State Star in Agriscience

Karson Harris a member of the Sullivan FFA Chapter exceeded with his Supervised Agricultural Experience.

TRAFLAGAR, Indiana (June 15, 2016) – Indiana FFA State Star in Agriscience is Karson Harris from the Sullivan FFA Chapter. Karson is the son of Ryan and Jessie Harris and has developed an outstanding plant systems agriscience SAE. Karson’s project includes hybrid development and inbred development and revolves around the need to address the smaller seed companies need in research quantity, hybrid development, and research productions. Karson plans on attending Purdue University in Plant Genetics and hopes to one day be a successful corn breeder and develop commercially viable hybrids for the industry.

As State Stars, each of categories will receive a scholarship sponsored by The Jeff Lehman Family. The State Star program is sponsored by Elanco Animal Health and AgriGold Hybrids.

###

About National FFA Organization - The National FFA Organization is a national youth organization of 610,240 student members as part of 7,665 local FFA chapters in all 50 states, Puerto Rico and the Virgin Islands. The FFA mission is to make a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education. The National FFA Organization operates under a federal charter granted by the 81st United States Congress and it is an integral part of public instruction in agriculture. The U.S. Department of Education provides leadership and helps set direction for FFA as a service to state and local agricultural education programs. For more, visit the Indiana FFA Association webpage at inffa.org, or follow the conversation on Twitter, Facebook, or BlogSpot.
